Take me to the top again  
Take me to the high road shining  
'Cause you know I never seen the world like that  
You take me to the top again  
You take me where it's slow and easy  
'Cause you know I never dream inside like that  
I know, I know, I know, I know  
I know, I know, I know, I know  
Won't you take my heart  
Don't leave me here standin'  
Take my heart  
Where only you can  
Take my heart  
There is no resistance  
I can only go as far as you can  
Yea, through the leaves of grass I search  
And I follow like a soldier  
Where the battle rages on  
Reveal what's true  
And I call to open skies  
And I call to high plains driftin'  
Through the wintertime the earth shall feed my soul  
I know, I know, I know, I know  
I know, I know, I know, I know  
Won't you take my heart

Don't leave me here standin'  
Take my heart  
Where only you can  
Won't you take my heart  
There is no resistance  
I can only go as far as you can  
Discover borderlands that we have yet to run  
And you can search forever never reach the sun  
And I can go on tryin'  
And I can go on cryin'  
Won't you take my heart  
Don't leave me here standin'  
Take my heart  
Where only you can  
Won't you take my heart  
There is no resistance

I can only go as far, o I'm cryin'  
Take my heart  
Don't leave me here standin'  
Take my heart  
Where only you can  
Take my heart, o I said  
I can only go as far as you can-n  
Take my heart  
I said, take my heart  
It's okay  
It's all right now  
Everything, everything in my heart.
