It's not my fault
It can't be my fault
That you speak to me the way you do
Now i'm spilt in two
I'm half me and half you
But i hate us both
Don't you

No of course you don't
Of course you don't
You say life is peachy without me
Of course you don't, of course you don't
You say life is peachy without me

And it's not your fault
It can't be your fault that i let you crawl inside my head
Now you know my place and you know that fac
But i hate this taste
Don't you

No of course you don't
Of course you don't
You say life is peachy without me
Of course you don't, of course you don't
You say life is peachy without me

Oh ...grieve me
Ohi love you
Greive me ..oh

I'ts no one's fault
It's nobody's fault
That i fell on you and you on me
That's what human's do
As they pass on through
But i think we can't
Don't you

Oh

No of course you don't
Of course you don't

You say life is peachy without me
Of course you don't, of course you don't
You say life is peachy without

Meeeeeeeeeeeeeeeeeeee
