Empty all my pockets and take what you like

Empty all my pockets if you like

I've got nothing to hide

Empty all my pockets and take what you like

Empty all my pockets if you like

I've got nothing to hide

My unashamed desire

is an open fire

Unashamed desire

Open up my chest and take what you like

Open up my chest if you like

I've got nothing to hide

Cut open my heart and turn on the light

Cut open my heartache if you like

I've got nothing to hide

My unashamed desire

is an open fire

Unashamed desire

And I'm not afraid to love

Not afraid to love

Unashamed desire

We get one sweet moment in the arms of youth

I don't wanna waste time holding down the truth

I've got everything to win and only pain to lose

This is my

Unashamed desire

Unashamed desire

Unashamed desire

Unashamed desire

And I'm not afraid to love

Not afraid to love

Unashamed desire...
