Everything's right
Everything's clear
Everything's bright
Everything's cheerful
Everything's near
Everything's quiet
Everything's here
It's just delightful
And I know who you are
Coz I've read about the stars
I've no fear of what will come
Coz I don't hear your demons hum
Everything's right
Everything's clear
Even the night
Won't make us disappear
Even the tears
That spring to our eyes
Are just a witness
To this blissful paradise
Everything's quiet
Everything's here
It's just delightful
