Can you help it  
You're in love with love  
Can you feel the  
Deeper meaning of  
Your endless longing's  
So impeccable  
Is it really unconditional?  
Can you make it  
On your very own  
Do you know how  
To let love alone  
It's a mystery  
You don't want to reveal  
The realm of romance  
Makes your day so real  
Can you ever be the one for me  
Or is the starlight  
In your galaxy  
Way too scattered  
To reach for my hand  
Are you scared of  
Someone who understands
