

Mist Of Avalon "Oceans"

I'm falling on and on
Life remains it's always the same
Wondering in wonder world
Sounds of passion whispered in sin
I'm looking into darkness
That's my life, my beautiful life

I say, I say I say oh save me from my life
I'll give you heaven I'll be yours forever
I say, I say, I say with my whole heart
I'll give you heaven I say it again

I'm colder for each day
No one can see it, nobody knows
I'm losing my final grip
To reality to my mentality
I'm trying I stagger on but what's the use
There is no light left
