She brushes the hair out of her face,
Wherever it falls is the perfect place.
Can I come over?
Am I awake?
Every line I write's for every breathe you take.
For every breathe you take...
For breathe you take

Such a beautiful night,
And it's storming outside,
But were bothe inside,
And I'm feeling alive.
Such a beautiful night,
And it's storming outside,
But were bothe inside,
And I'm feeling alive.

I'm leaving all logic behind,
This is heaven on earth.
I'm leaving all logic behind,
This is heaven on earth.

Understand I follow my heart,
And not my reasons.
Your feeling for me,
They're changing with the seasons.
Follow me onto this path,
That's going nowhere
You're only mine for right now,
But I don't care.

I'm leaving all logic behind,
This is heaven on earth.
I'm leaving all logic behind,
This is heaven on earth.

And you're the only thing on my mind.
I am begging.
And I'm leaving all logic behind,
This is heaven...

I'm leaving all logic behind,

This is heaven on earth.
I'm leaving all logic behind,
This is heaven on earth.
This is heaven
This is heaven
This is heaven on earth.
