blue lights flashing they got traffic stopped  
and highway 11's done turned in to a permanent road  
block

but i wasnt driving...my wife was my DD and she hadn't  
drank a drop still got hassled by the JPD..

and i said hey dude cant you just leave her alone, she  
ain't done nothing wrong and we just wanna go home  
woh wohhhhh

and i was mad as hell thinkin fuck the po po... and they  
wonder why folks don't trust em no more... now i'm not  
gunna let this go so i'm singing fuck the po po..

now im a jail bird...ive done time in the pen...and i gotta  
real messed up story to tell all my friends.. my name  
was in the newspaper in my home town, they ruined my  
reputation because i wouldn't bow down, hell no! And  
now im mad as hell singing fuck the po po,, and they  
wonder why folks dont trust em no more...wohh  
wohhhhhh and im not goin to let this go and im singing  
fuck the po po... fuck the po po..

two fingers in the air for the JPD, the long arm of the  
law comin down on me, now i understand why all those  
rappers are mad they must have been treated as badly  
as i have.... now I'm screaming thug life fuck the po po,  
shooting birds out the window wherever the cops go  
by, they puttin road blocks in front of my house, staring  
to feel like i live under the taliban, cant drive home  
without a gun in my face, Thursday through Sunday  
their invading my space tellin me its for my sake their  
keeping the streets safe by gettin the drunks off of the  
highway, but i say man thats a big fuckin lie, its all  
about the money from the DUI's otherwise they would  
be parked out in front of this bar, giving free  
breathalisers before we get in our cars...instead they  
just hide about three miles away...sit and wait for one  
of us to make a mistake.....drink a little to much you'll  
be cuffed and stuffed and proolly ruffed up if you  
complain enough

you'll be carted off to jail in the land of the free  
another victim of the officers that is JPD, now dont get  
me wrong i dont mean disrespect...there are a lot of  
good cops who serve and protect...they boldly put their  
lives on the line..and protect our rights and give us  
peace of mind, but for every cop who thinks his badge  
is a crown this songs for you and ill never bow down  
cause im mad as hell singing fuck the po po...  
wohhhhhhh and im not going to let this go and im  
saying fuck the po po yall.....fuck the po po  
yea.....fuck the po po yea.....
