We Were listening to the Radio
After Dark, in the Park by Hurricane Shoals
on A blanket by the waterfalls,
Holdin hands, Sweet Romance untill the Rooster Called
Then I drove her home thinkin Ain't love grand,
Oh I've never felt that way before, and I never have
again..

Chorus:
Now I'm in Love with a memory,
Sweet history's got a hold of me,
So dont't go fallin for me now...
We sould never be,
Cause I'm in love with a Memory

We were lying on the Midland Train,
down 29, just barley hiding from the four lane
Close my Eyes and I can see her still,
Perfect body streched out for me, every tan line
reveled
She headed of to college that September,
And she left me with a kiss, that I always will
remember...

Chorus:
Now I'm in love with a memory,
Sweet history's got a hold of me,
So don't go fallin for me now,
We could never be,
Cause I'm in love with a Memory

Oh Many girls have come and gone,
Half the Women in this county swear my heart is made
of stone,
That one old flame still burns away,
Yeah the love I lost ten years ago, Is the one I long for
today

Chorus:
And I'm in love, OH I'm in love with a Memory
Sweet history's got a hold of me,
SO don't fallin for me now,

We could never be,
Cause I'm in love with a Memory

We could never be,
Cause I'm in love with a memory
Oh I'm in love with a memory
