The glass half empty

Ain't good enough for me

When its brown liqueur over ice

You can save your breath

Because I've reasoned to dispute words to the wise

Oh

No Way, No Way

You're not gonna rain on my parade

Whatever you say, whatever you say

It's all from nothin' I'm afraid

You want to change my mind theres no way

A box of candy, chocolate covered caramels

Sweet sugar tastes like happiness

My teeth are rotten and my bellies gettin round

but I can't resist, oh no no

No Way, No Way

You're not gonna rain on my parade

Whatever you say, whatever you say

It's all for nothing I'm afraid

You want to change my mind but theres, No way

Dress me in the shade of grey

And pay the one who digs my grave  
This fat man is goin' out with a smile, yeah yeah  
Throw me the Bible, we'll go on like this for days  
Yeah I can use the scripture too  
I can't be certain of exactly what it means  
But neither can you, oh no no  
No Way, No Way  
You're not gonna rain on my parade  
Whatever you say, whatever you say  
I'm only a jester, you're the sage  
You want to change my mind  
You want to change my mind  
You want to change my mind  
But there's no way
