I waste away the afternoon
Feeling sorry for myself
Gotta thousand things I need to do
But no motivation left

All your letters scattered across my bed
Every I love you underlined in red lies remindin

Takin it one day at a time
Having her come having her go
Tryin to drink you off my mind
But I'm fallin apart one day at a time.

I called you up but no ones home
Guess your out there on the town,
And any other Thursday night
I'd be right beside you just pourin em down.

Circle of friends, hangin out at the city bar
Guess they all know now how you broke my heart
Said I'm takin it hard

Livin one day at a time
Having her come having her go
Tryin to drink you off my mind
But I'm fallin apart one day at a time.

Really thought that I was gonna make you happy
I'm such a fool, such a fool
I let you in but I guess you didn't like what you seen
Love is so cruel, love is cruel

I'm dyin one day at a time
Having her come having her go
Tryin to drink you off my mind
But I'm fallin apart one day at a time.

One day at a time
One day at a time
One day at a time
One day at a time
