Music: Nagrinn & Nirag / Lyrics: Nagrinn

Shadowdraped by a sunset kiss  
The nightmare on seductive wings  
Invites to nocturnal carnage  
To feed upon angels broken dreams

Dreamwraiths of decievement  
Feasts upon the mellow virgins womb  
Virgins, mellow virgins  
All swallowed by the cataclysm

Sombre lusts awaken to hunger  
Dark, depraved, deformed  
To drink from the beauty of innocence  
And to devour all that's pure

Unsolarize, sodomize  
Bloodrivers through the heavens stream  
Rape the weak, within their sleep  
Excruciate the virgin  
Excruciate the virgin dream

Dreamwraiths of decievement  
Feasts upon the mellow virgins womb  
Virgins, mellow virgins  
All swallowed by the cataclysm

Sombre lusts awaken to hunger  
Dark, depraved, deformed

To drink from the beauty of innocence  
And to devour all that's pure

Sacred limbs incinerated  
Before the eyes of the holy one  
Garden of Eden defiled  
Sterilized by demon tongues

Angels forced to fornicate  
Revealing the darkest fantasies  
Beholding the ravenous lust of pain

Through their very own tormented eyes

Unsolarize, sodomize  
Bloodrivers through the heavens stream  
Rape the weak, within their sleep  
Excruciate the virgin  
Excruciate the virgin dream

Sacred limbs incinerated  
Before the eyes of the holy one  
Garden of Eden defiled  
Sterilized by demon tongues

Angels forced to fornicate  
Revealing the darkest fantasies  
Beholding the ravenous lust of pain  
Through their very own tormented eyes
