

Mister Mr "Black/White"

Visit "[Black/White](#)" on MotoLyrics.com

We are both shadows moving on a wall
Two characters both weak and strong
We chant and we dance
We draw ourselves in
Then we run from each other again

CHORUS:

Love is so strange
How we change from day to night
Love is so strange
How we change from black to white
Love is so strabge
How we change from day to night

I draw a picture of your face
Another time, another place
We are the ones who fell into this love
We must be in the right place

CHORUS
