Is It Love - Mr. Mister

I say I love you

And hold you near me

You say I scare you

Well that's your fear

I know the message

My heart is sending

But you don't read it

You keep me guessing

Is it love is it love

We're after

(Why don't you tell me)

Is it love is it love

Is it love

The broken record

Goes round and round

Within a circle

Without a sound

I'm under water

In overdrive

You hide in laughter

What's on your mind
