

Mister Mr "Uniform Of Youth"

Visit "[Uniform Of Youth](#)" on MotoLyrics.com

I don't think I like this place
I don't think I like your face
I don't know if I'll stick around
I don't know, I just might leave town

I don't care much what people say
Nothing's perfect anyway
No one said that the world was fair
All I want is for you to care

CHORUS:

I wear the uniform of youth and hold on
I wear the uniform of youth and hold on

Dress it up - play it down
Take it out and kick it around
Never mind that I'm not like you
I'll just do what I've got to do

CHORUS
