Iâ've spent the whole summer on the beach
I think iâ'm roasted
Iâ've spent the whole summer on the beach
I think iâ'm twisted
I guess iâ'm twisted

I think iâ'm loosing my head
Please Mr Sun stop shining right on me

I donâ't know why but I think
Iâ'm gonna spend a bit of time
On this island
Iâ'm looking for a bit of help
Does anybody hear me ?
Quelquâ'un pourrait il mâ'aider ?

I think iâ'm loosing my head
Please Mr Sun stop shining right on me
I think iâ'm loosing my head
Please Mr Sun stop shining right on me
Oh please help me !
Oh please help me !
Help me !
Does anybody hear me ?

I think iâ'm loosing my head
Please Mr Sun stop shining right on me
(Quelquâ'un pourrait il mâ'aider ?)
I think iâ'm loosing my head
Please Mr Sun stop shining right on me
Quelquâ'un pourrait il mâ'aider ?
