Falling into the paths of oblivion  
I see that i'm not alone  
I watch to the punished souls  
Of those who fell before  
I wonder why and i think  
That i'm not dead yet  
But life demised  
Now the gates are close

The darkest sights i've ever seen  
Is it real or is it a dream?  
This twisted nightmare  
Just a punishment for my life

Hellish creatures come to me  
It's time to take my soul  
This is the end  
Last chance has gone

A withered rose for the dead in sin  
A nameless tomb made for me  
A withered rose for the dead in sin  
A soulless corpse rots in peace  
A withered rose for the dead in sin  
Condemned to hell - never free  
A withered rose for the dead in sin  
I lived my life but life demised

I even thought that death would never reach me  
I even thought i'd reach the eternity  
Now i see it's too late for me  
Too late - there's no return from death, i wait

My price for destiny  
This years of wickedness  
Those broken hopes  
Stole my soul

Now i'm lost  
Forever lost  
Doomed to suffer

In my inner hell
