masquerade of shadows in my head masquerade of  
shadows in my mind  
in the theatre of disillusion  
in another act..  
in another act aversion wins  
masquerade  
masquerade of shadows  
masquerade  
in the name of morbid gods  
masquerade  
masquerade of shadows  
masquerade  
in the name of greediness  
it's not an illusion  
it's a dreams funeral  
black caravan..  
black caravan led by  
possessed horses  
with a coachman  
without left hand  
shoves through  
the frozen chamber  
a wolf crossed their way  
somebody cuts his eye out  
with a blunt blade of love  
a worm wriggles in his brain  
in a purperal cramp  
giggling maliciously  
as a loathsome dwarf  
masquerade of shadows in my head  
masquerade of shadows in my mind  
unwanted paintings  
dreadful portraits  
and a fallen lord..  
and a fallen lord on the throne  
masquerade  
masquerade of shadows  
masquerade  
in the name of morbid gods  
masquerade  
masquerade of shadows  
masquerade

in the name of greediness  
everybody...  
everybody is heading  
in the direction of a clearing  
on which castle stands  
a misshapen block smelling of despair  
there is waiting for them  
a guillotine of peace  
and gallows of justice  
why? why with my face???  
why? why this place???  
proud magician weighs in a pot  
a mysterious mixture from a raven  
the guide of souls
