for millions  
eagerly listening  
to your sermons,  
sage! sage! do you know  
that your faith awake  
lust that save maniknd?  
sage do you hear call  
of souls you subject?  
tears of suffer in your eyes for these who do not  
believe,  
saviour of humans mass you are bringing freedom for  
everyone  
so many walks behind you ready for your each beck,  
you gloat  
your power when stoned children lick your foots  
sage do you know that your faith is dead, as dead are
