"Servant Of All"

I wanna be Your lover so show me how to go lower
For in the depths I will find You where You're serving
my brother

I wanna be with You where You are I wanna be with You
wherever You are
I wanna be with You where You are You're the servant
of all

I'm in love with a king who became a slave
I'm in love with a God who is humble
You gotta go down if you wanna go up
And You've gotta go lower if you wanna go higher and
higher
Well you've gotta hide and do it in secret if you wanna
be seen by God

Cause it's the inside outside upside down kingdom
Where you lose to gain and you die to live
