He was little but we loved him  
He was small but he was swell  
He was tiny, how he teased me  
Guess he knew how to ring my bell

He was my midget love slave  
He was a horny little half-pint  
With lovin' for sale  
He was my midget love slave  
His name was Andrew, but I called him Gayle

The first time that I saw him  
Was in a porno production of the Seven Dwarfs  
He played a dwarf named Sleazy  
One look at his beard and I wanted to score

He was my midget love slave  
He was a horny little half-pint  
With lovin' for sale  
He was my midget love slave  
He was a hot little munchkin who could make me wail

We were happy together  
Making hot love with never a pause  
Then one day he left me  
For the Lollipop Triplets in the Wizard of Oz  
He was my midget love slave  
He was a Hot Squat Hombre  
With love on his mind  
He was my midget love slave  
But size don't matter when the lovin' is fine  
Size don't matter  
Size don't matter  
Size don't matter when the lovin' is fine  
Size don't matter  
Size don't matter  
Size don't matter when the lovin' is fine

Whoo! I'm in the mood to love a little midget man like  
you.  
Whoo! You're lookin' so good, yeah...  
Say why don't you give me a little fidget?

With those clever little digits, baby  
Oh come on, do it again  
Do it again!  
Do it again, baby!  
Do it again!
