All who are thirsty and  
All who are weak  
Just come to the fountain  
Dip your heart in the Stream of Life  
Let the pain and the sorrow be washed away  
In the waves of His mercy (mercy )  
As deep cries out to deep  
(Repeat all)  
As deep cries out to deep (x2)

Chorus:  
We sing, come Lord Jesus come (You are all that we  
want)  
Come Lord Jesus come (You are all that we need)  
Come Lord Jesus come (You are all that we want)  
Come Lord Jesus come (to all who are thirsty)

All who are thirsty... (Repeat verse)

Won't You come (x2)  
As deep cries out to deep (x7)  
(Repeat) Chorus  
As deep cries out to deep (x4)  
Holy Spirit  
Holy Spirit come (let singing out, lift out your voice, and  
ask for His presence)  
Holy Spirit come (We want You to come)  
Holy Spirit come (We want You to drove near)  
Holy Spirit come, oh come  
Holy Spirit come, come  
Holy Spirit come, now how ever You will  
Holy Spirit come  
Cry come,  
We cry come (x2)  
You are all what we want,  
Just come!...!  
And You are all that we need,  
Just come  
As deep cries out to deep (x7)  
There is a hungry stirring inside my soul  
I know is more than this (x2)  
As deep cries out to deep (x4)

We sing, come Lord Jesus come (I know there is more than this)  
Come lord Jesus come (there is more than this)  
Come lord Jesus come (oh oh oh )  
Come lord Jesus come (let lift your voices and ask for His presence)  
Come!  
Just come!  
Is all about You, is all about You  
We cry, Holy Spirit come oh oh  
Holy Spirit come, oh come  
As deep cries out to deep (x2)  
We are waiting here,  
As deep cries out to deep, in the middle of the night  
As deep cries out to deep, we want nothing else  
As deep cries out to deep, sing come Lord Jesus  
Come Lord Jesus, come (You are all that we want)  
Come Lord Jesus, come (and You are all that we need)  
Come Lord Jesus come (we don't want to go without Your presence oh God)  
Come lord Jesus come  
Just come
