Come break the chains,
The chains that hinder love.
All that remains of yester year.
Come break the chains,
The chains that pull me down.
Come break the chains and draw me near.

CHORUS (once)

Let Your fire burn consuming me,
Let Your jealous flame
Come take away everything!
Let Your fire burn consuming me,
Let Your jealous flame
Come write Your name upon my heart,
Until all that remains
Is the Light of Your countenance
And I will be satisfied when I awaken
As a lover of You!

Come break the chains,
The chains that hinder love.
All that remains of yester year.
Come break the chains,
The chains that pull me down.
Come break the chains and draw me near.

Hum

Who is this is garments stained red
Who is this crowns on His head
Who is this He roaring like a lion
Who is this He's roaring from Zion,
He's roaring from Zion

Who is this King of glory (Repeat x3)
He is mighty to save all who call on His name
In righteousness He is mighty to save
He's mighty to save all who call on His name
But woe to the enemy
Of the King on His Wedding day
But woe to the enemy
Of the King on His Wedding day
All of your judgments... just and true.

CHORUS

Let Your fire burn consuming me,
Let Your jealous flame
Come take away everything!
Let Your fire burn consuming me,
Let Your jealous flame
Come write Your name upon my heart,
Until all that remains
Is the Light of Your countenance
And I will be satisfied when I awaken
As a lover of You!
