Chorus:

I am lovesick, for my Beloved
My Beloved and my Friend
(Repeat x2)
Only YOU can satisfy (x2)

Try as I may to chase another Lover,
I find there is, there is no other
(x2)
For only YOU can satisfy (x2)

And happy am I, to live a hungry life
Blessed am I, to thirst
Disillusionment, it is my gift within
I am blessed, I am blessed among men!

To be lovesick, for my beloved
My beloved and my friend
(Repeat x2)
Only YOU can satisfy (x2)

Try as I may to chase another Lover,
I find there is, there is no other

All the other Lovers fade away (x3)
Only YOU can satisfy (x4)

And happy am I, to live a hungry life
And blessed am I, to thirst
My desire for You, it is my gift within
I am blessed, I am blessed among men!
(Repeat x2)

This is the generation is trying everything
This is the generation of Jacob
This is the generation doubt all those things

Only YOU can satisfy (x2)

This is the generation is looking for the face of God
This is the generation of Jacob
This is the generation

Searching for face of God
And only YOU can satisfy

The Spirit and the bride, we say, come! (Repeat x3)
We say come (Repeat x3)
