Your Spirit choose with me
Your Spirit growth in me
My spirit longs a desire,
A desire of Your return
Oh, yeah
Your return

Do what You have to do (x3)

Oh Prince of Peace
Come make it wide
There is no peace until Your return
What ever it takes
Take, take, take it away
Shake, shake everything,
Shake it shake it away
Take, take, take it away
Shake everything, shake it shake it away
Take, take, take it away
Return, return, return, return, return, return

Chorus:
Oh how we want You to come
Oh how we want You to come
(Repeat x2)
Just come
(Repeat Chorus)
