Every decade I've lived  
I didn't know that  
I was waiting for you  
Then out of nowhere  
You were there  
Disrupting all I knew

I'm down on one knee  
With one thing to ask  
I'm begging you please to say yes

Welcome to  
Something new  
When two lives are  
Joined to make one  
She said yes  
And the best of  
My endless life  
Is to come

Hey  
Listen to the sound  
Of my feet  
Leaving the ground  
Hey  
Love is the last thing  
That I thought  
I would have found

Every breath  
That I take  
I want to breathe you in  
Your smile is so bright  
That it feels like the sun  
Shining on my skin

I'm down on one knee  
With one thing to ask  
I'm begging you please to say yes

Welcome to  
Something new

When two lives  
Are joined to make one  
She said yes  
And the best of  
My endless life  
Is to come

Hey  
Listen to the sound  
Of my feet  
Leaving the ground  
Hey  
Love is the last thing  
That I thought  
I would have found

Hey  
Listen to the sound  
Of my feet  
Leaving the ground  
Hey  
Love is the last thing  
That I thought  
I would have found
