You've been cheated
You've been messed around
You were looking for heaven
But hell is all that you found

Are you ready for somebody
To put your mind at ease
'Cause I'm ready and I'll be there
To fill your every need

Anything at all... I'd give you
Anything at all... to have you here in my arms
Where you belong... you've gotta believe me
I'd do anything at all

Well, the first time I laid my eyes on you
I knew my life was changing and I couldn't lose
I was ready for somebody to put my mind at ease
So if you want me, reach out and touch me
And I'd do anything
