G. Cormier

Is this the last time that I will kiss you
Or hold you like I've done so many times
Or will things sort a fall back in their places
Like before when I thought all your love was mine
And is this the last time that we'll be lovers
Is it to late to find out what we could've had
These feelings that I have for no other
Were crushed and my heart is growin' sad
You don't know how I feel that's why you ask me
If I really know what my feeling are
Lord I wish we could've made it one step farther
But now my chances are as distant as the stars
(Lead)

I don't think that I could ever forget you
You stole a place in my heart and left a scare
But I still love you even though you don't want me
I guess it was never written in the stars
(Chorus Twice)
