P. Nail / G. Cormier
When I wake up in the morning
You're the one I'm thinkin' of
I'm a prisoner of belief
Held captive by you're love
So don't let the fire burn out
Just give me your faith and trust
Keep the light burnin' bright
That lives inside of us
With a ghostly sound of silence
I see the shadows fall
In the misty rain of midnight
I surrender, with my back against the wall
You put me in your life
So I'm here to survive
You touch something inside of me
That makes me come alive
It's much more than I can say
Like the silent voice that lives
You hold a special part of me
And to you, my love I give
(Chorus, Lead & Chorus;)
