hit the bootleggas the bootleggas

yo, yo dun we got guns in the grass  
it's three at night  
im about to take the last swallow of the eases jesus  
who go 50 on the next tree  
we gotta stop at the store we need D batteries for the  
theme music  
snatch the biscuits from out the lawn  
fuck a cab lets take cracked out your lawns are solved  
we gave that bitch 2 wibbles  
then skated off with a vehicle for the pillow  
all outside the borough dun wat happened to queens  
like sumthin in 1 2 1  
farmers in 1 sixteenth  
they got us on the B.Q.E.  
just to get a taste of that greenery  
we took our smoke out the coney island  
post it up by the himalaya  
pina coladas, champeles mixed wit daney  
that saint oz is dun lingle  
spillin it on the floor for our dead people  
while I spark the sequal  
my niggas got lungs when we smoke  
that shit only go around once  
dogs we just killing time  
somebody just got they shit twist  
on the block fuckin up the grind so  
till it pipe down we jus blowin at the sluts  
bitch i wanna fuck rite now

(cormega)  
son im on the bench high  
eating chicken wings and french fries  
a crackhead fuck  
spent his last bucks on 6 dimes  
im 1 gram from big time  
a spliff away from overdosing  
my heart is broken  
my man started smoking again  
P i heard the tunnel open again  
i spoke to flex  
he said he gonna let both of us in  
it's time to load up the auto's and semi's  
i wish my niggas bank was in a physical form of life  
i got my uptown nikes  
thugged out and icey  
mad deep  
jumping out the cokehead white jeep  
through was strugglin  
so i resumed hustlin  
rap game or crack game  
my crew is still bubblin  
yo 3 in the mornin  
and the D's on the corner still  
seems we were born to kill  
yo P meet me on the hill  
so we could jet through queens in SUV's  
and show these mothafuckas how we rep this thing ya  
know
