(Drifting I come to a gateway. It opens. Singing voices
overwhelm me. A choir
Of vocal beauty. But yet beyond this divine eternity
something sinister lurks.
It's not as it was
Wait! Great eyes stare down on these beings and onto
me!
Two large eyes eternally watching! Staring! Obviously
they persist.
Something dominates the chorus of voices. A language
of alien tongue.
They hear it not!
But yet it hears them from afar. Then I fall. Fall into the
seas of Mother
Earth. I clamour for the surface in a sea of
mannequins. The shores ablaze. And
In the heavens this watcher fixes upon me. As I fell my
senses awaken...dragging
Me into the depths...)
