Le's do
the tongue dance
the tongue dance
all set sails
If you could
make it convenient!
Care of lipsticks
and stretch it out

You hesitate?
Say it's convenient
it's decent
it's normal
Now it's out?
So do the tongue dance
Make it dance
it's an animal
make it longer
after shorten it
enjoy it
the wave motion

Left to right
So do move the neck
Do the snake
round and round
Let it lay in the nook
the nook of your mouth
Don't be sensuous
it's serious

Let's do the tongue dance
the tongue dance
all set sails
If you could
make it convenient

It's convenient
It is normal
