G. Cormier

I've been sittin' in this barroom starin' at the dance
floor

wonderin' what I'm gonna do

the band is playin' rock & roll music

and I just wanna dance with you

I'll have another drink and maybe I'll get the courage

to ask you if you'd like to dance

but the longer I sit here the harder it gets

and I don't wanna lose the chance

So baby&come; on dance with me

and I'll treat you just like a lady

come on dance with me

girl, I'm hopin' that maybe&you;'ll dance with me

(Lead)

I finished my drink and I walked to her table

I couldn't think of words to say

then I remembered what my daddy said

don't be shy, just say what you wanna say

girl, I've been watchin' you across a crowded barroom

you've been drivin' me wild

thought I'd take a chance, and ask you to dance

just to be with you for a while

(Chorus)
