If I can't be alone sometimes  
If I can't talk on the telephone  
Oh, baby, sometimes

If this means that I'm untrue  
And I'm fooling around on you  
No faith, well, baby  
You have no love

One more thing  
If I can't stand to see you  
Smile at someone sometimes  
If I can't believe you  
Could be out with the boys  
Just having fun sometimes

If I accuse you when I didn't see  
And let that hearsay  
Hearsay torture me  
Oh, no faith, well, baby  
Then I deserve no love

Let me tell you, baby  
Things aren't always the  
Way they may seem sometimes  
And, baby, nightmares may  
Enter your dreams sometimes

Love is just like?  
When you're going good  
Expect a little breeze  
Oh, no faith, then, baby  
We have no love

Oh, oh, oh, no faith  
Well, baby, we have no love
