I don't know why  
I love you like I do  
I don't know why  
I need you like I do

I must be crazy to fool myself  
When I know, when I know  
You belong to someone else

I'm sharing you  
Lord, sharing you  
Yes, I know  
Yes, I know, baby

I know you're married  
Lord, to someone else  
I hope she finds it in  
Her heart to forgive me  
I can't help myself

Cause if you love me  
Like you say you do  
Then leave her  
Then leave her

I want you to  
Leave her right now  
Make it right now, baby

I can't go on living on  
The promises and tomorrows  
Lord, when I can easily  
Have someone else

Then a true love  
Maybe I'll find

A love I had to share  
Has brought me despair  
They say to keep on pushing  
But I began to shove  
But a shove won't make it much

Then leave her  
Oh, leave her

You just won't, you just won't  
You just won't leave her  
So I'll be sharing you  
I'll be sharing, sharing you
