[English Translation]

Tsui wa kami ga boku o utsukushiku tsukutta koto
Kimi no hitomi ni utsutta boku ga ikenai no sa
Matsu wa boku ga ai ni mitasare sugiteru koto
Sore demo boku wa kimi o aishite shimau darou
GUILTY BEAUTY LOVE The Crime that is God, created
me beautifully
I'm wrong to be reflected in your eyes
The punishment is that, I'm overfilled with love
Nevertheless, I'll still love you right?
Guilty Beauty Love
Tobira hiraki fumi dashite yume no sekai e
irasshaimase
Kimi o ESUKO-TO izamazuki te e to kuchidsuke
Hajirau megami sae furi uita LUCKY GUY
Tsukareta KOKORO fumiasu kara Open the door, take a

step forward and welcome to the world of your dreams
I'll escort you, kneel and kiss your hand
Even a shy goddess, looked back at the Lucky Guy
Because I'll heal your tired heart
Tsui wa boku ga fureru mono subete koi ni ochite
HEART urawareta kimi wa zenzen warukunai sa
Matsu wa boku ga ai o mugen dai sasageru koto
Sore demo kimi wa boku ni furete shimaou darou
GUILTY BEAUTY LOVE The Crime that is everything I
touch falls in love
It's completely not your fault
The punishment is that I infinitely offer up love
Nevertheless you'll still touch me, right?
Guilty Beauty Love

Koko de wa kimi wa itsumo Heroine The moon
appearing at night is me and you, who embraces and
burns, are the sun
We meet and it's so blindingly bright that shadows
can't form
When I deliver a bouquet of Passion, Cutie Lady
Here, you're always a Heroine
Tsui wa kami ga boku ni kono kuchibiru kureta koto
Kimi o yume e to sasotta boku ga ikenai no sa
