YOU KNOW I JUST GIVE YOU MY HEART...SECRET HEART

With the sensation of floating on a satellite in zero gravity,
So sweet, even this gloomy feeling in my heart is vanishing.
This is like a drama in which the character absent for a long time,
And that's before I met you.
If this three-dimensional door opens gently,
And I cross the infinite space-time continuum,
It'll feel as if that brand new place
Is beginning to change colors.

CAN YOU HEAR MY VOICE?
Your gentle smile now is sweet chocolate to me,
And I want it all to myself.
BABY LOVE, BABY LOVE, can you hear it?
Meating into the dark depths of the long night
Is conviction concealed in my heart...

The wonderful days when I could even enjoy the thrills.
Your dream; I want to dream all the time.
I'd be spoilt if everyrhing in life go according to plan; I want excitement!
I feel frustrated when 1/365 is over!
I don't want to waste a single moment I spend with you.

CAN YOU FEEL THE BEAT?
I'll light you like a comet drop light up crescent moon.
BABY LOVE, BABBY LOVE, do you feel it?
That this love for real.

I feel frustrated when 1/365 is over!
I don't want to waste a single moment I spend with you.

CAN YOU FEEL THE BEAT?
I'll light you like a comet drop light up crescent moon.
BABY LOVE, BABBY LOVE, do you feel it?
That this love for real.

CAN YOU HEAR MY VOICE?

Your gentle smile now is sweet chocolate to me,
And I want it all to myself.
BABY LOVE, BABY LOVE, can you hear it?
Meating into the dark depths of the long night
Is conviction concealed in my heart...
