2 x Hook:

When I step in the scene, all the bitches be like hello  
When I step in the scene, all the bitches be like hello  
Hello, hello, hello, hello.  
When I step in the scene, all the bitches be like hello.

Do me a favor, don't do me no favors,  
one time for all them real niggas I'll check any paper  
When I step in the scene, all the bitches be like hello  
Hello, hello, hello, hello.

The wrong choices, took me to the right places,  
I'm not really going names, but I do remember faces,  
but for you girl I promise, I will not get your name  
Tonight make me feel special, girl say my name, say  
my name.  
Say my name, say my name,  
girl say my name, just keep it real with me  
and I promise I will do the same  
and if your whole bitch then own it,  
I'm young blessed and gifted and I live for the moment  
I'm so ill, no wonder why I have a illness  
she crazy bout me, it must be a march madness  
I'am ball like no tomorrow and pouring up all pimps see  
King-Kong ain't got shit on me, Lord knows.
