[Intro]

I am not happy any more
Couse you lift me
In this fucking dark world
You fucking hurt me
You fucking lift me
I am not happy any more

[Verse]

I am not happy any more
You fucking lift me in this world
To wonder the world in a place
I can not find my fucking way out of
For this I fucking hate you
I am not happy any more

[Course]

I am not happy any more
You fucking basted
You lift me to wonder the world
I can not find my fucking way out of this
You sould fucking die for leaving me like this
Fucking die mother fucker

[Verse]

I am not happy anymore
You fucking lift me
I can not belive this is you
You said you fucking would not make me sad
You fucking basted you hurt me so
I am not happy any more

[Course]

I am not happy any more
Because you lift me on this world
On my own with you not there
To hold me colse to you
Whan I am scared in the night

[Verse]

I am not happy any more
You fucking lift me in this world

To wonder the world in a place
I can not find my fucking way out of
For this I fucking hate you
I am not happy any more

[Course]

I am not happy any more
You fucking basted
You lift me to wonder the world
I can not find my fucking way out of this
You sould fucking die for leaving me like this
Fucking die mother fucker

[Verse]

I am not happy anymore
You fucking lift me
I can not belive this is you
You said you fucking would not make me sad
You fucking basted you hurt me so
I am not happy any more

[Course]

I am not happy any more
You hurt me so fucking much
I am not happy cause of you
You fucking lift me like this
I have not one to hold me whan
I am scared you fucking basted

[Ending]

I am not happy any more
You fucking lift me to die
You fucking sad you would never make me cry
You fucking lied to me you basted
I will never fucking forgive you
I can not belive you made me cry in this word
You are not there to hold me anymore
You fucking basted mother fucker.
