[Intro]

Why do you look at us like we our freekz
Why do you call us so many names
Do you not think that we have no feelings
Why do you take the fucking piss out of us
Do you hate us for something we have fucking done

[Verse]

Why do you look at us like we our freekz
Do we not matter to anyone but ourselves
Do you fucking hate us because we are different
Why hate us we fucking hate ourselves
We are who we fucking our
We fucking know who we are
Do you know who fucking you are

[Course]

Why do you look at us like freekz
Do we look different to you
Do we not human to you
We fucking hate you
You fucking hate us
We don't give a fucking shit
Go fuck your selfs

[Verse]

Why do you look at us like we are freekz
Is it cause we are fucking nicer than you
Is it cause we fucking look different
Is it cause we are fucking goths
Is it cause we are fucking emos
Go fuck your selfs you mother fuckers

[Course]

Why do you look at us like we are freekz
Do we dress different than you
Are we not like you
Do we not desave your friendship
We don't need your fucking friendship
We are who we are
If you don't like than fuck off

[Verse]

Why do you look at us like we are freekz
Why do you call us so many names
Do you not think that we have no feelings
Why do you take the fucking piss out of us
Do you hate us for something we have fucking done

[Course]

Why do you look at us like freekz
Do we look different to you
Do we not human to you
We fucking hate you
You fucking hate us
We don't give a fucking shit
Go fuck your selfs

[Verse]

Why do you look at us like we our freekz
Do we not matter to anyone but ourselves
Do you fucking hate us because we are different
Why hate us we fucking hate ourselves
We are who we fucking our
We fucking know who we are
Do you know who fucking you are

[Course]

Why do you look at us like we are freekz
Do we dress different than you
Are we not like you
Do we not desave your friendahip
We don't need your fucking friendship
We are who we are
If you don't like than fuck off

[Ending]

Why do you look at us like freekz
We fucking hate you all
You fucking basteds
You sould all fucking die
We what you to all fucking die
We will kill you basteds
We who we are
So you can all go fuck urselfs
