After some time I've finally made up my mind
She is the girl and I really want to make her mine
I'm searching everywhere to find her again
To tell her I love her
And I'm sorry 'bout the things I've done

I find her standing in front of the church
The only place in town where I didn't search
She looks so happy in her wedding dress
But she's crying while she's saying this

Boy I missed your kisses all the time but this is
Twenty five minutes too late
Though you travelled so far boy I'm sorry you are
Twenty five minutes too late

Against the wind I'm going home again
Wishing be back to the time when we were more than
Friends

But still I see her in front of the church
The only place in town where I didn't search
She looks so happy in her wedding dress
But she cried while she's saying this

Boy I missed your kisses all the time but this is
Twenty five minutes too late
Though you travelled so far boy I'm sorry you are
Twenty five minutes too late

Out in the streets
Places where hungry hearts have nothing to eat
Inside my head
Still I can hear the words she said

Boy I missed your kisses all the time but this is
Twenty five minutes too late
Though you travelled so far boy I'm sorry you are
Twenty five minutes too late

Boy I missed your kisses all the time but this is
Twenty five minutes too late

Though you travelled so far boy I'm sorry you are
Twenty five minutes too late

I can still hear her say
