Lately you have been asking me  
If all my words are true  
Don't you know I'll do anything for you

Sometimes I haven't been good to you  
Sometimes I've made you cry  
And I am sorry for everything

But I promise you girl  
I promise you this

[Chorus:]  
When the blue night is over my face  
On the dark side of the world in space  
When I'm all alone with the stars above  
You are the one I love

So there's no need to worry girl  
My heart is sealed for you  
And no one's gonna take it away

Cos' I promise you girl  
I promise you this

[Chorus:]  
When the blue night is over my face  
On the dark side of the world in space  
When I'm all alone with the stars above  
You are the one I love

Your voice is calling to me in my dreams  
My love is stronger than it's ever been
