I was lost on my own
Had become a rolling stone
You talked to me
You talked to me

Holding back
A lonely scream
I was giving up my dreams
You danced with me
You danced with me

There's nobody here but you and me in the dark
Why do I stay when I should run away

[Chorus:]
It's a fools direction
But I'm holding on
Cos' I need your love my girl
In a mad and crazy world

Someone broke my heart before
And I promised that no one more
Should let me down
Should let me down

There's nobody here...

[Chorus:]
It's a fools direction
But I'm holding on
Cos' you keep me warm my girl
In a cold cold world
And I need protection
And I need to be held
I just need your love my girl
In a mad and crazy world
