Staring at the moon so blue
Turning all my thoughts to you
I was without hopes or dreams
I tried to dull an inner scream but you
Saw me through

Walking on a path of air
See your faces everywhere
As you melt this heart of stone
You take my hand to guide me home and now
I'm in love

[Chorus:] You took my heart away
When my whole world was gray
You gave me everything
And a little bit more
And when it's cold at night
And you sleep by my side
You become the meaning of my life

Living in a world so cold
You are there to warm my soul
You came to mend a broken heart
You gave my life a brand new start and now
I'm in love

[Chorus:]
You took...

Holding your hand
I won't fear tomorrow
Here were we stand
We'll never be alone
