You don't know you're not the best judge
You'll find out one of these days
You don't know what it's like
To be in love with a girl like that
There's so many ways
You can lose your friends
And lose your heart
The frustration just never ends
I'm on to your tricks
Make sure you keep your distance
When you see my girl
She's strictly out of bounds 'cause

CHORUS

I saw her first
I'm gonna keep her
Whoa, she's mine
I saw her first
I'm gonna keep that girl
Whoa, she's mine
She's so bad, everyone wants her
Got to have eyes in the back of my head

Lucky for me, I'm the only one she loves
Thought you had a chance
But you were misled
'Cause I love that girl
She's like no other
And I'm gonna keep her by my side
(By my side)
So if you work it up front
Or undercover
If you've got some ideas
Just put them out your mind 'cause
(CHORUS TWICE)

She's taken
Why can't you understand?
Yes, you want her
But I need her
Oh, she's in such demand!
I'm on to your tricks
Make sure you keep your distance

When you see my girl
She's strictly out of bounds 'cause
(Chorus repeats until fade)
