(C. Walt Disney Music Company)

When you look at me that way

I see it in your eyes

You're all I've ever wanted

And boy, it's no surprise

I never want to leave you

You're too good to be true

I'm so infatuated

And so in love with you

Friends will talk about us

Say we move too fast

But I believe in fantasies

And this one's gonna last

CHORUS

I want your love

And I can't deny it

I want your love, ooh

I hope you feel it too

I need your love

It'd mean so much to me

I want your love, ooh

To set me free, baby

I need your love

Ooh, yes I do

Now, I don't understand it

What's gotten into me?

But boy, I can't forget you

Ooh baby, can't you see (can't you see)?

That every time you're near me

My heart I can't ignore

And every time you say my name

I know this love's for sure

Friends will talk about us

Say we move too fast

But I believe in fantasies

And this one's gonna last

(Chorus)

I want your love

And I can't deny it

I want your love

Ooh, baby

You gotta keep the faith and follow your heart
And never lose your way
You gotta hold on to your dreams
So they don't slip away
You gotta keep love in your sight
Then everything will be all right
Now, there's no need to wait
So don't you hesitate
(Chorus twice)
Give a little bit, give a little bit of your love
Give a little bit, give a little bit of your love, oh yea
Give a little bit, give a little bit of your love
Oh, don't take it away from me
(Repeat until fade)
