What ya gonna do, what ya gonna say

Where ya gonna go?

(When it's over?)

How ya gonna feel when ya have to deal

With the real?

(In the world?)

What ya gonna do, what ya gonna say

Where ya gonna go?

(When it's through?)

How ya gonna feel when ya have to deal

With the real?

(Can you tell me?)

'Cause I, I wanna know

Why we keep on playing in circles

Why can't we keep it movin' along?

CHORUS

Round and round we go

Where we stop, nobody knows

Up and down on a merry-go-round

Round and round we go

Riding fast or making it slow

Take a chance on the merry-go-round

1, 2, 3, who's it gonna be

When ya count it down?

(Is it over?)

How ya gonna go when you wanna

Why ya wanna play?

(With me?)

What's it gonna be, who is really free

When you're runnin'?

(In the world?)

How ya gonna go when ya wanna stay

Why ya wanna play?

(Can you tell me?)

'Cause I, I wanna know

If it's for real, the way that we feel

Why don't we turn around and stop letting go?

(CHORUS)

What ya gonna do, what ya gonna say

What ya gonna do?

(We gotta take a chance, we gotta take a chance)
What ya gonna do?
'Cause I, I wanna know
Why we keep on playig in circles
Alone?
And I, I wanna know
If it's for real, the way that we feel
Why don't we turn around and stop letting go?
(Chorus repeats until fade)
