Believe, believe me, believe me
Believe, just put ur trust in me
Believe, believe me, gotta believe me
Chorus:
Let me show u love
Heaven sent above
Close ur eyes and dream
Believe
Ooooh, I believe every woman
Deserves to see every once in life
A one-way ticket
No fantasies
So when u close ur eyes
At night
The tears u fight
I want to let u know
Everything's gonna be alright, alright, alright now baby
Girl, I only wanna hold u baby
Never stressin bout our lovin baby
Our experience is beautiful
Incredible
Lets take it slow
Take my hand and believe me baby
Our love'll last forever lady
Cause u know
Everything will be alright
chorus (2x)
Whoa, babe
What will it take
For u to realize
Its through ur eyes
That I can see my destiny?
And through ur pretty smile
I see ur fears and insecurities
Its u and me till eternity
And now we're hand in hand
And ur my girl
And Im ur mine
Each day Im thanking God
Fulfilled my dreams and fixed ur heart
So baby close ur eyes
No more tears and no more cries

You just gotta believe
chorus (2X)
Rap:
Thugs believe u can achieve ur goal u seek and if u
really love (really love)
Get down for ur thang and maintain if u feel enough
faith
You gotta have a little bit of faith (trust in me)
I will be safe and u can't forget to pray
Oh yeah, its a struggle sometimes, but theres a lot of
people steady going
under
But I aint the one to stumble
Me break, no crumble
Ready to rumble
Fight for the right to unite and be humble
People all over the world
Follow me
Cause I know the ride
And I will show u right
Stayin on my mission, keepin it focused, u gotsta play
by the rules
That's why my game paid my dues
Wnt to the top with me trues
You snooze, u lose
Now u know that
Quit actin like u don't care
If u wid it, and u prepared, pump ya fist up in the air
and holla
"Mo Thug Luv, It's My Mo Thug Family"
chorus (2X)
