Good head in the morning  
Good breakfast in the morning  
And then she talking about taking trips to the store and  
Wanna see what's on the floor damn  
She wanna hang she asking when  
She making plans  
I'd rather record then  
I jus might multitask kid  
Se she knows her man not important  
So I'm the one she rather import than  
Get inside her go supersan  
And you see I'm the man  
Like that  
And all these girls that turned around  
They coming back  
And now my pockets  
They are fat  
And at the jody is where I be at  
And on my throne is where I sat  
And FPMG got my back  
Belgian Waffles  
I am who yo girl hot for  
You say you listening to the future  
Who you checkin out if it aint mo  
Much thanks to doe  
The main nigga  
That helped with this flow  
And the main nigga that's gone help haters to the door  
In the future he gettin whateva he want when we at the  
sto  
Ya see  
It's FPMG if you aint know  
My pockets dead  
My pockets fed  
Not leaving with you  
She left with me instead  
Why go for the lead when I'm ahead  
It's jus like when yo girl  
Gave me head  
I go hard  
You think yo cd is the future that's why it's scrathed yo

future  
Scared in the future I'm hoppin outta cars  
Greeting fans knowing I'm the mans  
And  
Doin the skinnie dance  
My nigga skinnie dance
