First of all it's Fresh Pressure or suicide  
AeroPlanes or car  
Girls still wanna ride  
Let me dive in ya waters, so hows the tide  
Me and my girl the new Bonnie and Clyde  
My money running on track  
Look at it's stride  
Got this money a wifey aint hard to find  
I'm goin home to a place other rappers never been  
before  
843 studio  
Figure it out  
Ya bars aint nothing so what you all about?  
My money tall  
Yo money short or kinda stout  
My shirt off the girls out  
Mo-Rush bro what you thought  
AeroPlanes & Iced'T mixtape  
What you bought  
Sorry I took the spot that you sought  
Mr Fill-up-banks  
Mr Gas-man Fill-up-tanks  
It to the I T to the F P  
Talking Dranks Check me out ya know

My nigga Superman  
Lance McKay  
Kushed up  
Everyday  
Fresh Pressure  
Man I live that way  
If you aint down then get with it today

I'm pass twilight  
An Team Jacob  
Got my cake up  
Like a baker  
If you aint fresh or death man I'll see you later  
Respect Stevie and Ray  
I'm blind can't see a hater  
Wit this money  
Temptation is a bitch I hope she catch the hands

She make it one way jus so you can take a glance  
You messing with Cinderella broke ass  
Forget her shoe she'll still dance  
Richie and Lambo rolling trees  
Tell the haters get my dick out ya mouth  
And breath please  
FP we got the new stuff  
Grab ya shirt what's these?  
I'm balling ya jus some rookies to me  
Yo girl playing hookie for me  
A&R's looking for me  
MILF's tryin sock it to me  
I'm blowing money fast but I aint even got the fan on  
Fresh Pressure show girls can't leave us alone

Should I smash Taylor Swift  
Or Beyonce  
B's the best  
That's what they say ( Kanye )  
Which girl switch the most  
Can come my way, everyday  
Mo-Rush  
Girls that's what they say  
Now listen up drinkers grab ya red cup  
Broke girl and pitcher  
Get ya change up  
After this haters will lose their voice  
And wont say much
